Intro:

Verse:

Your presence is all, all that I need,
Your glory is all, all I want to see
I won't go unless you go before me,
I'm waiting for you, waiting for you, waiting for you

Verse 2:

Your presence is all, all that I need,
Your glory is all, all I want to see
Lord open the heavens over me,
I'm desperately waiting anticipating a touch from you

Chorus:

I just want to be in your presence, I just want to stay here forever
Kneeling down at your feet, giving you everything
I just want to be in your presence, I just want to stay here forever
Kneeling down at your feet, giving you everything

Bridge:

I'm giving you everything, I'm giving you everything
I'm giving you everything,
I'm giving you everything, I'm giving you everything
I'm giving you everything!
